

Gener Guzman

Gener Guzman

# Act One

*Scene 1-1: Yu Jian*

*Huang Lee arrives in Liberty City in a jet. He explains that his father is dead and now he has to bring the Yu Jian Sword to his uncle, Wu "Kenny" Lee, as a family tradition that his father created after winning the sword in a poker game. At the Francis International Airport, Huang is greeted by Wu's goons. They are then ambushed, with the goons shot dead and Huang injured by a bullet. Huang wakes up in the ambusher's car. They think Huang is dead and decide to dump their vehicle to get rid of Huang's body. The driver drives the car into the Humboldt River in BOABO and both the ambushers bail out of the car.*

*(In a jet)*

**HUANG LEE**

My father is dead: murdered in Kowloon. He always told me that this life, the life of a gangster, can be short, even for a boss. Most of the family believes he died while meditating at the temple. The truth is he was worshipping other gods - his two favorites. Pharmaceutical grade coke and cheap women. Regardless - I have sworn on his grave to find those responsible, to avenge him. I did this mostly so as to guarantee my inheritance, but also because the old man was a good guy... for a philandering, drug addled murderer. "Yu Jian" - his sword, generations old, has always been in the keeping of the head of the family. A tradition my father invented after winning the sword in a card game. Now, I've got to deliver the stupid thing to the family's new patriarch... Uncle Wu "Kenny" Lee, in that great American melting pot Liberty City. The last time I visited Liberty City, I caught crabs off a Swiss tourist. Still, even a pampered little snot like me shouldn't be able

## Gener Guzman

to bungle delivering a sword... to a moody and power crazy uncle... with a penchant for exotic pornography and impersonating people out of kung fu films.

*(On the Francis International Airport tarmac)*

### **KENNY's GOONS**

Mr. Lee? ...Huang Lee? Your uncle sent us to meet you. Fuck! We're being jumped! It's a fucking ambush!

*(In the assailant's car)*

### **HUANG LEE**

...Uhh, my head... Shit... it's the ambushers. This must be the famous American welcome I've heard so much about.

### **PASSENGER ASSAILANT**

...I think he's dead.

### **DRIVER ASSAILANT**

Are you sure?

### **PASSENGER ASSAILANT**

Well, he certainly looks it. He's got blood coming out of a bullet wound on his head. Tends to lead to death... being shot in the head.

### **DRIVER ASSAILANT**

## Grand Theft Auto Chinatown Wars

Check him. Fucking smart ass prick. If you're so fucking clever, how come you have to rob people for a living?

**PASSENGER ASSAILANT**

He's not moving. He's not breathing. He's got a bullet wound to the head. You know what, I'm gonna stake my reputation on this one. The kid is dead.

**DRIVER ASSAILANT**

Aw shit! Then we are fucked.

**PASSENGER ASSAILANT**

What are we gonna do?

**DRIVER ASSAILANT**

I thought you were the guy with the brains? Let me think. We're going to have to dump him.

**HUANG LEE**

They're dumping me... I might actually get out of this madness alive... if I don't die of shock first, of course. As soon as they stop the car, I'll make my move... They won't suspect a thing.

**DRIVER ASSAILANT**

Okay genius, bail!

**HUANG LEE**

It's clearly not my day.

(On a dock after swimming)

Gener Guzman

What a place! Beaten up, shot and nearly drowned - within minutes of getting here. My father would've paid for this kind of fun, but it's never appealed to me. ...I'd better find a car and get over to Uncle Kenny's.

(At Sum Yung Gai)

**KENNY LEE**

Huang! I'd heard you'd been killed! Thank all that is good that you are alive. What happened?

**HUANG LEE**

I was hoping for a couple of strippers... and a VIP table in a club. Instead, I was ambushed, robbed... and left for dead, Uncle. Not much of a welcome.

**KENNY LEE**

Just like your father. A playboy, not a worker. These are dangerous times, Huang, but we will find and deal with these killers. Do you have the sword? ...Do you have Yu Jian?

**HUANG LEE**

I think the murderers took it... either that or your useless bodyguards.

**KENNY LEE**

Don't get snotty with me, you little brat. I had promised Yu Jian as a gift to our leader... Hsin Jaoming. It would have gained me great favor with him... perhaps even sealing my position... as his replacement when he steps down. Its loss will irreparably damage my standing. My honor is besmirched!

**HUANG LEE**

## Grand Theft Auto Chinatown Wars

Besmirched? Uncle, it is 2009, not 1403. And you were going to give the sword away? But, it's been in our family for generations.

**KENNY LEE**

Don't give me that bullshit. Your father won the thing in a card game. As a gift to Hsin it would have made me the Triad boss here in Liberty City. ...Huang, your father was a good man, but he's dead now, and that puts me in charge. I have to do what is best for the family, even if it goes against our traditions... and my desires. I have arranged an apartment for you. Rest there for a while. We will speak again soon, once we have both calmed down. Grief can be very unsettling.

**HUANG LEE**

So can being shot in the head and nearly drowned.

*Scene 2-2: Pursuit Farce*

*Kenny wants to calm Hsin Jaoming's rage about the missing sword. Kenny wants Huang to do some of his work while Kenny does his business. He wants Huang to find out why a group of his spies haven't returned from overseeing the cops spying on Kenny's exotic movie. A Triad member arrives with Kenny's Cognoscenti and Kenny wants Huang to take his car. Kenny heads to an alleyway in Rotterdam Hill. There he meets Ling Shan, the only survivor of Kenny's crew after they were ambushed by the cops. After their introduction, they are ambushed by more cops. Huang successfully evades the cops (losing his wanted level) and drives to his Cerveza Heights apartment. He flirts with Ling unsuccessfully.*

*At Sum Yung Gai*

**KENNY LEE**

Gener Guzman

My dear Nephew! I'm screwed! I've spoken briefly without leader, Hsin Jaoming, about the loss of the sword, Yu Jian. He's not happy. There will be harsh consequences for me.

**HUANG LEE**

Well, I'm sorry to hear that Uncle, but what about the men who killed my father? Surely that's more important than some dude and a ceremonial sword?

**KENNY LEE**

I'm working on it. I haven't slept with worry. But Hsin's favor is vital to our family.

**HUANG LEE**

I'm sure it's vital, Uncle. I'm sorry if I was disrespectful. How can I help? I'd love to go after... the men who tried to kill me... and rip their tongues out with pliers...

**KENNY LEE**

If you want to help me Nephew... please do as I say! You're new here... and things aren't exactly going well for us right now, are they? Listen - I need help running my business while I deal with Hsin's rage. A couple of my crew are observing a squad of undercover cops... who are spying on an exotic movie I am financing... Purely for artistic reasons, of course. I need you to head over there and find out why they haven't reported back to me. Easy enough, eh? Take my car. And I like the car, so do try not to get murdered again.

*(In an alleyway in Rotterdam Hill)*

**LING SHAN**

What the fuck are you doing in Kenny's car?

## Grand Theft Auto Chinatown Wars

**HUANG LEE**

I'm his nephew, Huang Lee. Who the fuck are you?

**LING SHAN**

...Oh, you're the rich prick from Hong Kong who lost the sword... Nice one.

**HUANG LEE**

And I thought Americans did not understand sarcasm. Nice hair cut!

**LING SHAN**

Yeah - funny - I'm Ling Shan. I'm all that's left of Kenny's spies - we got jumped by the pigs...

**HUANG LEE**

Do you mean those pigs?

**LING SHAN**

Shit! Get us out of here alive, Huang, and I'll marry you! Yes - I know about sarcasm.

*(After evading the cops)*

Slick moves, rich kid. C'mon, let's get out of here.

**HUANG LEE**

*(At Huang's apartment)*

...So, er... coffee?

**LING SHAN**

## Gener Guzman

Very funny, but I better take Kenny's car back... and tell him personally what happened to his exotic movie shoot and team of hard men killers.

## HUANG LEE

So, I get nothing... before you go - can I ask you a question... were you an observer, or an actress in the "art house" movie?

## LING SHAN

Keep it in your pants, Huang - I doubt it's very impressive. I'll see you around.

# Act Two

## *Scene 1-3: Under the Gun*

*Huang Lee goes to meet his uncle, who informs Huang that he has been forced to withdraw from the race to take over from Triad leader Hsin Jaoming. He tells Huang that because of this, some thugs have begun threatening his businesses. He has Huang visit his master-at-arms, a woman called Ling Shan who Huang had already met. She has Huang punch and kick a dummy, before giving Huang a gun to practice on the dummy. After the dummy is destroyed, Kenny exits his building and tells the duo to help one of his restaurants, which is under attack from some street thugs. Ling takes her gun back and, on the way, has Huang search through a dumpster to find a gun. The two then run to the restaurant and confront a thug, who shoots and kills Ling. Huang then kills three thugs, before going to the restaurants roof and killing a fourth thug. After the restaurant owner complains about the two taking to long, Huang moves to the edge of the restaurants roof and sees an Ambulance drive off with Ling's body.*

Kenny Lee: Being unable to present Hsin with the sword, as I'd promised... has forced me to step down as a potential heir for leader.

### **HUANG LEE**

I'm sorry, Uncle, but as soon as we get the sword back, you'll be able to reclaim your position. Meanwhile, my father remains dead.

**KENNY LEE**

Thank you, Huang... but recovering the sword... is no longer the most pressing matter. My businesses are being threatened by ignoble street thugs who think I'm finished. They kick someone when they are down. I knew a proverb about that once, but I forgot it.

**HUANG LEE**

Keep your friends close and your enemies closer?

**KENNY LEE**

No.

**HUANG LEE**

Look before you leap?

**KENNY LEE**

No. Anyways, that's not important right now. What is important is that I'm getting buggered by a lot of dudes, and that is not my scene. It's war, Nephew. I need you to get some weapons training. And Huang - despite the horrors of your father's death, I am glad you're here.

(Huang goes to the back of the building, and Ling Shan walks out from another building)

**HUANG LEE**

Ling? ... You're Kenny's master-at-arms?

**LING SHAN**

I could teach you a thing or two, Huang Lee.

## Grand Theft Auto Chinatown Wars

**HUANG LEE**

I bet you could, but I'm not that easy.

**LING SHAN**

Listen, if you want to stay alive in this city, you'd better know how to defend yourself ... can you fight at all? Show me your best punch.

(Huang punches and kicks the dummy)

Not bad. You've got good legs.

**HUANG LEE**

I could say the same for you.

**LING SHAN**

I'm sure those lines usually work, but I'm also sure you usually pay for women.

**HUANG LEE**

I buy ALL my friends. Makes life easier.

**LING SHAN**

Nice. I think I like this lonely rich kid act. It kind of suits you. Can you use a gun?

**HUANG LEE**

I can certainly try.

(Huang takes a gun from Ling, and shoots and destroys the dummy. After the dummy is destroyed, Kenny runs out of his building)

**KENNY LEE**

Huang! Ling! Quickly...

(Huang and Ling walk over to Kenny)

Some fucking street punks are attacking one of my restaurants. ...Teach them the ignorance of their ways, Huang.

**LING SHAN**

I'll take my gun back. We'll get you one en route.

(Kenny goes back inside his building, whilst Huang and Ling run to a dumpster at the back of the same building)

I always keep weapons hidden in dumpsters all over the city for emergencies just like this.

(Huang searches the dumpster and finds a gun. After finding the gun, Ling begins to run off)

Come on.

(Huang and Ling run to the restaurant)

**RESTAURANT EMPLOYEE**

You're the protection? A bitch and a little punk. No wonder we're getting pissed on by every dog in town. Some thugs have dragged the boss around back.

(Huang and Ling leave the restaurant and begin to walk to the back of the building)

**THUG**

Hey ladies, tell that gimp Kenny it's over. This is our town now.

## Grand Theft Auto Chinatown Wars

### LING SHAN

Really, little boy? Your town.

### THUG

Yes. My town, bitch. My town.

(The thug shoots and kills Ling, before running off)

### HUANG LEE

Ling! What the fuck?

(Huang kills the three thugs, before going to the roof and killing another thug, rescuing the restaurant owner)

### RESTAURANT OWNER

You took your fucking time, boy! I could have been killed!

*Scene 2-4: Payback*

*Huang is grieving over Ling Shan's death while Kenny complains that the street gang from the previous mission needs to be taken care of so that they can't take over Kenny's territory. Kenny sends Huang to Steinway. As Huang arrives, a gang member asks what's he doing here. Huang wants blood. The gang member escapes and runs to his two friends nearby. Huang kills all of them as their backup arrives. The last surviving member attempts to escape in a car but Huang eventually catches up to him and kills him by having a long chase and keeps on crashing and ramming the car until the last surviving member is stopped.*

*At Sum Yung Gai*

**KENNY**

What happened is most distressing.

**HUANG**

I know. I cannot believe Ling's dead. First my dad, now this.

**KENNY**

Ling's dead? Well, yes, that's unfortunate... but I was talking about being attacked by nobodies.

The shame of it!

**HUANG**

What? ...How can you be so cold? Ling was a nice person.

**KENNY**

Boo fucking hoo. Stop acting like a child. People die every day. It's the nature of this life we've chosen. Your father knew that. We mustn't allow death to distract us from our purpose.

**HUANG**

...Our purpose?

**KENNY**

I've run this territory for years. And now some impudent street gang thinks they can just take it away from me? Make them pay for their arrogance, Huang. And avenge Ling!

**HUANG**

Said with true feeling, Uncle!

## Grand Theft Auto Chinatown Wars

(At Steinway)

**GANG MEMBER**

Hey, triad! What you doing here?

**HUANG**

I'm finishing what I started in Cerveza Heights. No one fucks with my family.

*Scene 3-5: The Wheelman*

*Wu tells Huang that Hsin Jaoming's son Chan Jaoming wants Wu to work for Chan. Wu thinks Chan is an idiot and doesn't want to work for him. Wu wants Huang to work for him instead. Wu tells Huang that Chan wants three sports cars delivered to his garage in BOABO quickly. Huang successfully steals and delivers the cars.*

*At Sum Yung Gai*

**KENNY**

Hsin's idiot son, Chan Jaoming, has had the audacity, the impudence, the outright insanity of asking me to work for him.

**HUANG**

Great! This could help you regain face with Hsin.

**KENNY**

Yes, but there's not much honor in wiping Chan's ass. I could never lower myself to be his lackey. Maybe you could.

**HUANG**

I'm honored you think highly of me, kind Uncle.

**KENNY**

I'm sorry Huang. Sorry I can't offer you better! Sorry I'm not the big boss! Sorry no one is here with a silver spoon ready to shove it up your pampered ass. Your father, rest his soul, ruined you!

**HUANG**

What's the job, kind Uncle?

**KENNY**

Chan needs to acquire some fast cars for a street race. Now believe me, Chan is mentally subnormal so the thought of him driving fast is somewhat worrying, but he seems to need them. The deadline for delivery was yesterday, so you'd better hurry. And Huang, thank you.

*Scene 4-6: Tricks of the Triad*

*Huang first meets with Uncle Kenny at his restaurant. Uncle Kenny tells him that business in drug dealing is high, and he needs to make a fortune out of it. So, he tells Huang to go over to his apartment, where he stashed some samples of drugs, and to take them to a dealer who is willing to take them off his hands in Steinway.*

*At Sum Yung Gai*

**KENNY**

My honorable reputation is in the gutter. I'm finished Huang! Finished!

**HUANG**

## Grand Theft Auto Chinatown Wars

Really Uncle? Did you wife find your video collection?

**KENNY**

All of my street dealers are abandoning me. All my years as a noble outlaw are coming to nothing.

**HUANG**

Uncle, let me help. What are you dealing: counterfeit goods, stolen merchandise?

**KENNY**

My stock is more 'pharmaceutical' in nature the kind that's difficult to legally source.

**HUANG**

Of course - You're a drug lord.

**KENNY**

A NOBLE drug lord!

**HUANG**

Is there any other kind?

**KENNY**

But, I don't think I want you getting involoved in the drugs trade, Huang. You're young and will just end up tripped out on ecstasy, with a needle full of skag in your eye and midgets blowing coke up your ass and it'll be my fault! Your father would expect me to protect you.

**HUANG**

## Gener Guzman

What powerful images, Uncle! But I can handle myself.

### KENNY

I knew I could count on you to uphold our traditions and finally become a man! I've already taken the liberty of having some 'samples' delivered to your apartment. There's a fine merchant in East Island City who'll be happy to take them off your hands.

(Drug dealing transaction)

### LIAM

Man, that's good shit - I can feel my dick shrinking already. I'll have to get on the Mollis later. Now listen. There's a bit of an issue right now. Those security cameras. Every fool in town is getting arrested. Very good for those of us who haven't gone down. Until they come down, prices will just stay high sorry friend - that's capitalism -supply and demand, baby.

(Buying coke from Danny)

### HUANG

Shit! It's the cops!

*Scene 5-7: Natural Burn Killer*

*Stores are refusing to pay protection to Wu. Wu wants Huang to burn down a store to make an example out of it. Huang goes to a gas station nearby and fills bottles with gasoline to make molotov cocktails. He heads to a parking lot owned by the Spanish Lords and blows up two cars. Then he heads to a store nearby and firebombs it. Firetrucks begin to come as the stores burns, so Huang destroys any that arrive.*

## Grand Theft Auto Chinatown Wars

*At Sum Yung Gai...*

**KENNY**

Even simple store owners are choosing to forget that their security is best served by the noble protection I extend them. If they refuse to pay for my services, how am I supposed to look after them? It's for the greater good that they realize bad things like explosive fires accidental deaths and such like, happen to those without my protection.

**HUANG**

Explosive fires? You want me to burn those stores down?

**KENNY**

No, Huang, that would be dishonorable and bad business. You need only make an example of one.

*Scene 6-8: Recruitment Drive*

*Wu complains that his men don't want to fight for the Triads. He wants new recruits for the gang. Huang goes around the city to recruit three crime victims by saving them from the hoodlums that are beating them up. The three want to repay Huang by joining the gang. Huang and the three potential recruits head to a tattoo parlor in Cerveza Heights. Hoodlums looking for revenge attack Huang but Huang manages to drive safely to the tattoo parlor. Huang tattoos a recruit at the parlor to officially initiate them into the gang. Be careful when hopping fences and such, for the AI of the people you recruit is not high, and they may get stuck.*

*At Sum Yung Gai*

**KENNY**

My men are all girly-boys! I need new blood, Huang - men prepared to fight and die for me. Not this scum that defect to other under-bosses simply because I've fallen out of favor with Hsin. For generations men have given their lives meaning by dying in this family's service!

**HUANG**

Absolutely ... it's the most honorable of traditions.

**KENNY**

There's surely many immigrants on the streets all suffering regular abuse from the authorities and local punks. Find these terribly unfortunate souls, Huang, and show them a life of honor is worth dying for.

(Saving the victim)

**ROOKIE**

You saved me! How can I ever repay you?

**HUANG**

No need to repay me, but I can help you help yourself. Join my gang, and you'll learn important qualities like discipline and self respect and how to intimidate and bully people yourself.

**ROOKIE**

Fantastic! As a Triad, all my troubles will be over!

# Act Three

## *Scene 1-9: Pimp His Ride*

*So, after you meet Chan Jaoming, he tells you this: Some street racer champion is annoying him, and he wants to "modify" his car to teach him a lesson on who's the master of the races. He tells Huang to follow him, steal his car, and take it back to his garage.*

*(At Chan's Garage)*

**CHAN**

Ah, Huang Lee. Champagne? Cocaine? Attractive trans-sexual prostitute? We can toast my becoming the next Triad boss.

**HUANG**

No thanks ... So, has your father actually made you the new boss?

**CHAN**

Not yet, but my father's approval is guaranteed. After years of putting me down and calling me a moron he's finally realized I'm the best man for the job. I only need the support of the Tongs to smooth my passage.

**HUANG**

I'm sure you do.

**CHAN**

Currently they favor Zhou Ming but he's more of a street thug than a true leader. Yes, he's intelligent and charming, but I've got leadership in my genes.

**HUANG**

I'm sure you've got a lot of things in your genes.

**CHAN**

Definitely! I can show the Tongs I'm twice the man Zhou is by winning the city's biggest street race.

**HUANG**

Oh that'll win them over. Nothing says leadership like joy riding.

**CHAN**

I know! It's a fantastic plan. The problem is - the current street race champion is a rotten cheat. If I'm going to win fairly we need to make a few subtle modifications to his car.

*Scene 2-10: Whack the Racers*

*Chan is upset that the other competitors in the race have more superior cars than his. Chan wants to win the race badly so he wants Huang to smash them off the track. Huang grabs a fast car and waits near the starting line. At the start of the race, the street race champion loses control of the car and crashes the car. Chan now has three competitors to worry. Huang rams the cars off the course and prevents them from going ahead of Chan. Chan eventually wins the race.*

*(At Chan's Garage)*

**CHAN JAOMING**

...Oh, my head! I've got a killer hangover. One of those that feels like a midget is in your head and he's trying to get it on with your cortex, and that street race is just about to start! I'm fucked!

## Grand Theft Auto Chinatown Wars

My therapist would call this self-sabotage, but then my therapist has never had a transsexual prostitute.

**HUANG LEE**

The race you want to win to impress the Tongs?

**CHAN**

Yeah, but I heard the other drivers have cars that are race lightened for extra speed. How can even I - the best driver in the city - compete with them when they cheat like that?

**HUANG**

You mean they're driving race cars in a car race? That's disgraceful.

**CHAN**

I know and I've got to win this race, Huang. I can't have both my dad and my therapist laughing at me again. There's nothing for it. You'll just have to smash them all off the track to make sure I win. It's only proper.

(At the finish line)

I told you I'd win Huang! And in the end I didn't even need your help. The Tongs are gonna be pretty impressed when they hear about this. I might blog about this and stick it on my myroomonline page.

**HUANG**

You gangster! Let's hope the Tongs just hear about it and weren't watching.

**CHAN**

## Gener Guzman

Huang, baby when I am the boss you'll have a place at my side. You could be my number one number two! Heh-heh!

### HUANG

You and me, Chan, we're heading to the top!

#### *Scene 3-11: Parking Pickle*

*Melanie Mallard, a TV reporter and Chan's friend, is making a document about the drug trade from the perspective of the Liberty City Triads, and Chan and Huang are going to be the stars of it. Chan hopes the document will impress the Tongs, so they would favour him for the next Triad boss. Huang doesn't like the idea, but Chan assures their faces will be blurred out and their names won't be mentioned.*

*Chan then sends Huang to retrieve Melanie's TV van from the holding compound in Hove Beach.*

#### *Scene 4-12: Dock'u'mental*

*Huang meets Melanie at her studio. Chan Jaoming has promised Melanie, that Huang will guide and protect her during the filming of Melanie's document. Melanie and Huang then go to the docks to get some material for the said document. Chan's got a huge shipment of drugs arriving there.*

#### *Scene 5-13: Factory Fun*

*Melanie wants to document the illegal drug trade in Liberty City, and she has Huang attack a warehouse full of hostile Yardies with a Flamethrower and set the illicit crops inside on fire.*

#### *Scene 6-14: Jackin' Chan*

## Grand Theft Auto Chinatown Wars

*A Triad tells Huang that Chan has been kidnapped in his own car and the kidnappers are heading to the docks in BOABO. Huang arrives to the docks and watches the Triads fight the Irish kidnappers. A kidnapper throws a molotov cocktail and kills all the Triads and sets Chan's car on fire with Chan trapped in it. Huang steals a nearby firetruck and uses the water hose to put out the fire. Huang enters Chan's car and attempts to drive Chan back to his garage. The kidnappers chase Huang relentlessly but Huang manages to safely arrive to Chan's garage.*

*(At Chan's Garage)*

### **TRIAD**

Master Chan has been kidnapped! They're headed for the docks in BOABO. Come on! We've got to save him, or I'll get killed.

*(At BOABO Docks)*

We've got the kidnappers pinned down. But, master Chan is trapped in the car.

### **IRISH KILLER**

Cook, you motherfucker! Burn!

*(At Chan's Garage)*

### **CHAN**

What will the Tongs think of me now ? Kidnapped in my own car! ...Again! This is your fault, Huang!

### **HUANG**

My fault? Give me a break, you moron.

**CHAN**

That gang took me because you knocked their driver out of that stupid street race!

**HUANG**

But, you told me to... or is your brain so small you can't remember back that far?

**CHAN**

Oh, you egomaniac with your long memory! Get some help. Get some therapy. You narcissist. I could have been killed! ...Oh God. I need to change my pants. Somebody take me back to my penthouse!

*Scene 7-15: Stealing the Show*

*Huang gives some weed to Zhou as a required gift. Zhou wants Huang to work for him instead of working for Chan, giving the reason that Chan is too stupid for Huang to work for. Zhou reveals that he is arrogant and wants to be the replacement for Hsin Jaoming. Zhou needs a good thrower for this job. Zhou and Huang enters a Bobcat and drives over to the gas station in Cerveza Heights. Huang hops on the back of a delivery truck. The truck drives off and Zhou chases it. Huang aims and throws 15 boxes off the truck to the Bobcat. Huang hops off the truck and drives Zhou back to his nightclub. Zhou wants to see Huang again for more work.*

*(At Zhou's Nightclub)*

**ZHOU**

The gift you brought me is greatly appreciated, Huang Lee. I've heard a few good things about you. And, no doubt, you've heard a lot of pretty great things of me.

## Grand Theft Auto Chinatown Wars

**HUANG**

...Uh, no not really.

**ZHOU**

Ah, you must lead a sheltered life. No wonder you're working for that moron Chan Jaoming. Well, I can save you from that life of wiping a rich guy's ass. Unless you like it. Working with me, you can play your part in saving the Triads: Chan Jaoming must NEVER become our new boss. He's educationally subnormal.

**HUANG**

Let me hazard a guess here the only hope is to make you the new leader?

**ZHOU**

Obviously. Look, I realize I would say that, being an arrogant guy on the make, but old Uncle Kenny ain't cutting it no more. and Chan couldn't cut this way out of a paper prison. Look, all the Tongs favor me. I just need to get Hsin on board. We have to make it so obvious I'm the best choice so that even that old guy can't do anything so stupid as to overlook me. I'd like to test you out on a score that's about to go down. You can be my new 'thrower'.

**HUANG**

Thrower?

**ZHOU**

You'll see...

(At The Gas Station)

## Gener Guzman

I'll drive from here on in. You sneak onto that delivery truck, and toss its merchandise over to me.

(At Zhou's Nightclub)

I know I'm arrogant, but let's be honest, I'm kind of incredible. Often, people are a constant source of disappointment for me, Huang. But you have impressed me. Your skills - when compared to mine - might be nearly adequate.

**HUANG**

Zhou, I'm all for masking one's insecurities, but I've got to ask... have you got a tiny penis? They can do things for it nowadays.

**ZHOU**

Zhou: That's the spirit. I'm talking about winning a war, and you're talking about penile augmentation. Seriously, Huang - this town is there for the taking. You and me. Call on me again soon, so that your education may continue. And since you ask, no. It's massive.

*Scene 8-16: Flatliner*

*Zhou wants Huang to pick up Uri, an old criminal friend of Zhou, and drive him to Zhou's club. Uri is being flown to Francis International Airport on medical release, under police protection. Huang is directed to quickly head to the airport before Uri is released. Huang needs to kill four police officers armed with nightsticks before stealing the ambulance Uri is in - at the cost of a three star wanted level upon exiting the airport. Uri has a weak heart, and Huang must avoid ramming into other objects to prevent him from flatlining. Should Uri flatline, the player will need to resuscitate him (tapping the small heart icon in the DS and iOS versions or tapping the*

## Grand Theft Auto Chinatown Wars

*(At Zhou's Nightclub)*

**ZHOU**

Zhou: Back so soon? You must be eager to help make me the new boss.

**HUANG**

I know when to back a winner.

**ZHOU**

Me too which is why I always back myself. In business, pleasure, wrestling, sex, you name it.

I'm a winner.

**HUANG**

I'm going to take your word for it on some of those.

**ZHOU**

Listen, I have an old friend being flown to the city on medical release.

**HUANG**

Medical release?

**ZHOU**

Zhou: He's a con, but not for much longer you're going to free him and bring him here. His plane's already landed, so be quick getting to the airport.

Gener Guzman

(At Zhou's Nightclub)

My old friend ...I bet you thought you'd never see me again.

**URI**

Zhou ...I ...I meant to stay in touch.

**ZHOU**

You owe me a pound of flesh, Uri, remember and I fully intend to get to the 'heart' of the matter.

**HUANG**

If you'd wanted him dead, why didn't you tell me?

**ZHOU**

What's the matter Huang - am I being heartless? I can quickly remedy that.

(Zhou cuts Uri's heart out)

Now we've killed together, you and I are friends, Huang. Blood brothers. ...Don't be a stranger.

*Scene 9-17: Bomb Disposal*

*Zhou tells Huang that some local drug dealers are not showing Hsin Jaoming, the Triad boss, his due respect. Hsin has planned to teach them a lesson by blowing up their "stash cars". Zhou, on the other hand wants to steal the cars and the drugs inside them. He hires Huang behind Hsin's back to accomplish this. Huang rushes to disarm the bombs that are located in three red vans next to each stash car. He disarms all three bombs, and is then ambushed by Hsin's men. Another van armed with a bomb comes barreling down the street after Huang dispatches of the last henchmen. Huang then kills the driver and passenger of the van and disarms the fourth bomb.*

## Grand Theft Auto Chinatown Wars

*After, the three stash cars are brought to the Ming Inn via flatbed where Huang meets Zhou for his payment.*

*(At Zhou's nightclub)*

### **ZHOU MING**

In his final months as boss, Hsin Jaoming is losing the respect of several major business associates and dealers. These fools act disgracefully! Their obedience to our leader should be absolute. To bring them back in line, Hsin is going to blow up the vehicles in which they've stashed their drugs.

### **HUANG LEE**

...And we're going to help?

### **ZHOU**

Fuck no! You're going to stop Hsin's bomb vans so that I can safely steal the drugs, then present myself as the only competent operator. It's win-win. Huang, you've got to grow up.

*(Huang goes back to the nightclub after his task)*

My cars now ...and my drugs too.

*Scene 10-18: Carpe Dime*

*(At Kenny's Warehouse)*

### **KENNY**

Thank you nephew. I couldn't have bought this place without you.

**HUANG**

I? I thought it was for us?

**KENNY**

It is! I meant we. I wrote my name on the deeds purely for tax purposes.

**HUANG**

Of course! Anyway, I'm glad I could help. Any news on my father's killers, or that silly sword, Yu Jian?

**KENNY**

Possibly; A wealthy buyer of expensive stolen artifacts is visiting the city.

**HUANG**

Do you think he might be here to buy Yu Jian?

**KENNY**

It's possible - and though some say it's dishonorable to attack lone travelers. I say a rich fool can be the cause of much mischief.

**HUANG**

That's brilliant Uncle. If the life of crime thing goes wrong, you should take up script writing.

**KENNY**

I've always had a way with words. Huang, it's our noble duty to separate such fools from their money.

## Grand Theft Auto Chinatown Wars

### *Scene 11-19: Store Wars*

*Kenny tells Huang that a store under his protection is going to be attacked by the Spanish Lords.*

*Huang must block the entrances and kill any Spanish Lords that arrive.*

### *Scene 12-20: Driven to Destruction*

*Huang Lee meets Zhou Ming at his club in Dukes. Zhou tells him that those Jamacian drug dealers are not showing any respect after he saved their cars. Zhou is not happy and wants to teach them a lesson. Huang gets into a truck whilst Zhou gets on the back flatbed with a Minigun...*

*(At Zhou's Nightclub)*

**ZHOU**

Even though we have disciplined the dealers who insulted Hsin with their disrespect, for justice to be truly done, they must be taught a more serious lesson.

**HUANG**

Would that lesson be 'next time you're reincarnated, get life insurance?'

**ZHOU**

Something like that. I asked them if they wanted to cut me in, and they refused and threatened to run to Hsin and start bitching and moaning like women, so the fuckers are going to have to be shut up.

*(At Zhou's Nightclub)*

## Gener Guzman

Yet again I have delivered Hsin's justice like an avenging angel, or indomitable god or something else a bit like that. But, as usual, I get treated like a fucking butter.

**HUANG**

Your humility is awe inspiring.

**ZHOU**

Indeed, I have inspired myself. I've grown tired of looking for favors from chumps. I will be the next leader of the Triad, with or without Hsin's approval. It is only a matter of time.

**HUANG**

That must be some good coke.

---

## Act Four

*Scenes 21-60 - [Watch here if possible](#).*

COMING SOON TO THE FINAL VERSION - [Navigate here if possible](#).

# Act Five

## *Scene 1-61: Hit from the Tong*

Huang invades the construction site in Castle Garden City to confront and kill Zhou.

## *Scene 2-62: Clear the Pier*

Huang and the Triad Rookie invade one of Chan's warehouses to find and kill him.

## *Scene 3-63: Salt in the Wound*

Huang Lee and Wade Heston drive to the deal where it is said that Huang will find out who stole his father's sword. Once he arrives, he learns that his uncle, Wu Lee stole the sword and murdered his father. Kenny tries to explain, but Huang has none of it. Then IAD and FIB agents show up, and Kenny, Huang and Wade are forced to make a hasty retreat.

Huang chases Kenny through the desalination plant, killing many of his goons on the way, followed by a boat chase, pursuing Kenny and killing more goons. Upon reaching the shore, it becomes a car chase, until Kenny stops in front of Hsin Jaoming's penthouse, triggering a cutscene in a room with a fountain in the middle.

Kenny reveals that the reason for him to kill his own brother, was because Hsin ordered him to take the sword from Huang's father, and in return, Kenny would become the next head of the Triad. Kenny knew that by doing that he would probably still lose the position to Hsin's son, Chan. So, instead of that, he killed his brother, stole the sword and later became a fed rat and had Chan and Zhou be murdered by Huang using false files in the FIB mainframe, so he could be the only one in line to be the next Triad boss.

Hsin demands the Yu Jian back, and Kenny responds by stabbing him. Huang challenges Kenny, and they fight. Once Wu Lee is killed, the LCPD arrive and threaten to arrest everyone.

## Gener Guzman

Heston yells at them that this was his bust, and to arrest everyone except Huang. Hsin was arrested and sentenced for an unknown period of time and Huang is desolated for everything that happened. This is known as the final main mission, although there are bonus missions after this.

### *Scene 4-64: Deadly Xin*

Huang meets Xin Shan, who has planned a heist worth a fortune. Xin says that he will do all the real work, but he needs Huang to steal a NOOSE tank and cause havoc and chaos around the city as a decoy and to keep the cops busy.

### *Scene 5-65: Xin of the Father*

Huang finds Xin, bleeding to death in the back of a car. Huang then realizes that Xin is wanted by the police for killing several police officers. Xin tells Huang that he needs a doctor and Huang objects to him and tells him; "The only thing a hospital has got for you is a morgue.". Xin says that he knows a place where he can be treated for his injuries, alternative to a hospital. Huang is prompted to get in the car and lose a 4-star wanted level and take Xin to his required destination. When they get to the destination, Huang realizes that there is no Doctor and asks Xin for his money. Xin mentions Ling who was murdered in that same spot, sometime early on in the game. He said that the money has gone to his "dead partner's" funeral expenses. Huang offers Xin to be his partner. Xin objects to Huang, and dies due to massive bleeding wounds. Huang gets out of the car, and the mission ends.

### *Final Scene: Side Missions to Completion*

After Huang completes all the main missions, including the bonus ones, he continues to complete the rest of the required tasks for completion. This includes common side missions like rampages, races, fun tasks, as well as emergency vehicle missions. The only reward is just a message.

“Grand Theft Auto: Chinatown Wars” *Fandom*

[https://gta.fandom.com/wiki/Grand\\_Theft\\_Auto:\\_Chinatown\\_Wars](https://gta.fandom.com/wiki/Grand_Theft_Auto:_Chinatown_Wars)

One year later after the three players turned their completion celebration into a trail of destruction while fighting the enforcement agencies, Huang Lee, a fourth player and a son of a dead Triad boss, lives another life to complete a series of main and side tasks before repeating everything not taking place in Alderney but Liberty City only.

About Me: I already made a popular series in my channel, teach several lessons in Roblox, and develops four series of stories.
